\_\_\_\_\_

\_\_\_\_\_

Date Project to Start: \_\_\_\_\_ Target End of Project: \_\_\_\_\_

Please be sure to include the following with your request to help expedite the ACC review process:

- Latest Property Survey with project depicted in the proper location. (Please see the attached sample survey.)
- Material overview, e.g. wood, metal, shingle and etc..
- Dimensions of project height, width, depth and any other dimensions, should also be included on the survey drawing
- Pictures of proposed project, to include materials (if possible).
- Other: \_\_\_\_\_
- Other: \_\_\_\_\_

Also attached are general project guidelines for your information. The ACC will look at these in the approval process.
